

Our logo honours the Volhynian heritage our society is dedicated to preserving!

The colour composition symbolizes the colours associated with the German and Polish national flags, as well as the Volhynian crest. Our society is identified as Canadian through the inclusion of the maple leaf. The Volhynian crest was conceived in the 900s and continues to be identifiable with Volhynian ethnicity into modern times. The circular design represents our society encompassing the symbols of Germany, Poland and Volhynia.

The quality Cloisonne lapel pins are of professional quality and jewelry-like. Colors are separated by the highly polished 18 Karat gold background.
